CARROLL COUNTY DELEGATION MEETING

The Carroll County Delegation's annual meeting was held at the County Home, January 12, 1952, with all representatives present except for Morey of Hart's Location and Washburn of Bartlett.

The meeting was opened by Chairman Forrest Hodgdon and the budget was presented and the various items were reported upon by several county officials. It was felt that the fees which the county paid for the judges on the land damage hearing at Laconia for the acquiring of the Long Island Beach property should not have been assessed against the county, and that at the next session of the legislature, a bill should be introduced to reimburse the county for its expenses of \$750.

It was reported by the Superintendent of the County Farm that the average number of people at the County Farm was approximately 38 for 1951.

Representative John McHugh moved that a committee of three be appointed to look into the water problem at the County Home and report back in 90 days. Motion was passed and Chairman Hodgdon appointed as chairman Ansel Sanborn with Mellen Benson and Stewart Lamprey on committee.

John McHugh moved that an additional item of \$800 be inserted in the budget for a new file for the clerk of courts' office. Motion passed.

Lyle Moulton made a motion to raise \$5,000 for a capital reserve fund for the purpose of an auxiliary water supply for the County Home. Motion passed.

The delegation tentatively approved the budget of \$136,730 to be raised by taxes subject to revision by the delegation.

Perley Knox moved to adjourn.

Stewart Lamprey,
Clerk.

Forrest Hodgdon,
Chairman.

County Commissioner's Office

January 22, 1952

Agreeable to notice placed in all three county papers, a Public Hearing was called to order by Chairman Hodgdon at 2 p. m. at the Carroll County Court House to consider the items in the County Budget as presented by Carroll County Commissioners.

Two citizens, three members of the Delegation, and three County Commissioners attended the Public Hearing.

Meeting adjourned at 3:00 P. M.

Approved:

Stewart Lamprey,
Clerk.

Forrest Hodgdon,
Chairman.

Carroll County Delegation Meeting, April 4, 1952

The meeting opened at two o'clock at the Carroll County Court House with Chairman Forrest Hodgdon presiding. Also present were Hill, Downs, Nickerson, Benson, Washburn, McHugh, and Lamprey.

Mr. Prescott of the Aetna Engineering Company reported to the delegation on the water problem at the County Home. It was reported that the artesian well is 2,200 ft. with a water level at 100 ft. from the surface with the present pump having a capacity to pump from a 250 ft. level. Prescott reported that the arrangement is poor from the standpoint of service in case of a serious breakdown as it is possible that maintenance men might take as long as a week before being able to make the necessary repairs.

Estimates were given whereby it was possible that the cost of equipment for a new artesian well might run as high as \$2,000 for a very deep well to as low as \$800 if the water level of the well came near the surface. The cost of an artesian well was reported at \$7.00 per foot for a reliable contractor such as the Trask Artesian Well Co. of Dover, N. H., or the Manchester Artesian Well Company of Bedford, N. H. The total cost of installation and an artesian well could run as high as \$16,000.

Mr. Prescott then went into the details of the possibility of having a screened gravel well located near the County Home as an auxiliary water supply. This type of well could only be installed if the correct gravel strata is located on the property. Those having experience with this kind of well were namely the Clear Water Artesian Well Company of Sudbury, Massachusetts, the Trask Artesian Well Company of Dover, N. H., and the Stanley Hall Company of Gorham, Maine.

The Aetna Engineering Company still has some equipment belonging to the County namely the pumping equipment which was used up to 3 or 4 years ago at the location of the present water supply for the County Home.

Elmer Downs moved that a test well for a gravel well be authorized to be supervised by the Commissioners and the well committee and this committee is to report to the Delegation at their next meeting. Motion passed by a voice vote.

The Chairman then appointed John McHugh in the place of Ansel Sanborn, Mr. Sanborn being ill with a heart condition.

Mellen Benson moved for final approval of the budget as presented 1-12-52. Motion passed by voice vote.

On motion of Fred Washburn the meeting was adjourned.

Stewart Lamprey,
Clerk.

Forrest Hodgdon,
Chairman.

Carroll County Delegation Meeting, June 24, 1952

The Carroll County Delegation meeting was called to order at 2:30 P. M. with Chairman Forrest Hodgdon presiding together with three County Commissioners attending. Those attending were Hodgdon, Moulton, Benson, Remick, Downs, Knox, Morey, Nickerson, and Lamprey.

The purpose of the meeting was to determine what

action should be taken due to the burning of the cow barn at the County Home. It was estimated that a new barn (without equipment) would cost between \$300 to \$400 per head, and it was estimated that if a new barn was built, it should house approximately 30 head. These estimates were made by Sam Colby of the University of New Hampshire. Considerable discussion ensued.

Earle Remick made a motion that a committee of four be appointed including the chairman and the clerk to work with the commissioners and report back in three weeks on whether a new barn should be constructed or some other arrangement made. Motion carried.

Lyle Moulton moved that Guy Nickerson and Elmer Downs be made members of the above committee. Motion carried. Earle Remick moved that Mrs. Morey be included as a member of the above committee. Motion carried.

It was then suggested that the committee investigate thoroughly the following items:

1. That we investigate the possibility of rebuilding a barn and running the County Farm as it is now being run.

2. That we investigate closing the County Home and putting it on a stand-by basis.

3. That we investigate consolidating the County Farm with another or boarding the inmates and then selling and doing away with the County Home altogether.

Perley Knox moved for adjournment. Motion carried.

Stewart Lamprey,

Forrest Hodgdon,

Clerk.

**Carroll County Delegation Committee Meeting,
July 1, 1952**

The County Delegation Meeting was held July 1, 1952. Meeting was called by the Chairman at the Carroll County Court House at 7:30 P. M. with the following members present: Nickerson, Hodgdon, Morey, Downs, Lamprey from the delegation, and Leighton and MacKenzie present from the Carroll County Commissioner's Office, also superintendent of the County Home, Charles Severance, was present to answer questions from the committee.

The first item taken into consideration was the cost of other counties by which they board patients from outside their own county. It was reported that Strafford County would consider taking our patients for

5 hospital cases, \$6.00 per day

The women, 2, \$18.00 a week

Blind, 3, \$21.00 a week

Men, 12, \$18.00 per week

The Merrimac County Home reported they charge \$15.00 weekly providing room is available. Hospital is \$4.00 per day.

Grafton County reported that they charge \$15.09, board and room with \$4.00 for hospital per day. It was reported that the State Department of Welfare, made the following prices:

Board and room \$50.00 per month

Board and room with some care \$60.00 to \$80.00
per month

Semi bed-ridden patients \$80 to \$90 per month

Bed-ridden patients \$102.50 per month.

It was reported by Chairman Hodgdon that our per capita cost was in the vicinity of \$37.45 per patient and prisoner.

It was reported that we now have 22 on the Carroll County Home payroll with 22 patients and 10 prisoners with wages ranging from \$150 per month down plus board. May, 1952 payroll being \$2,191.34. It was found that there has been a steady decline in the number of patients at our Carroll County Home from 102 in 1932, 54 in 1942, and 22 in 1952.

Mr. Edwin Hodgdon estimated that the cost of a frame barn 38' x 80' would be \$16,720, the cost of a frame barn 38' x 100' would be \$20,900, also a hay storage shed, frame \$4,200, manure shed, concrete and frame \$2,400, and silo, frame, \$3,100.

It was found that our present number patients that the county needs show a total of two wards and four bedrooms.

The meeting was adjourned until July 8th at 8:00 o'clock by Chairman Hodgdon.

Stewart Lamprey,
Clerk.

Forrest Hodgdon,
Chairman.

**Sub-Committee Report Carroll County Delegation
July 8, 1952**

The meeting was called by the Chairman at the Carroll County Court House at 8:00 P. M. with the following members present: Nickerson, Hodgdon, Morey, Downs, and Lamprey from the delegation, and the three Carroll County Commissioners.

It was reported by Mrs. Morey from a letter she received from Coos County Commissioners that their per capita cost was \$9.58 per patient based upon their entire expenditures with hospital care at \$6.00 per day.

Commissioner Leighton reported that we were now spending \$66,000 per year for the patients at the Carroll County Home and that they could be boarded out for a figure of \$40,000 including the transfer of prisoners and their maintenance at another county jail.

It is the opinion of the Commissioners that the County Hospital could and should be closed. Commissioner Ned Edgerly reported that the farm is an expense to the County. Considerable discussion ensued as to property valuations, the expense and income of the farm and the prospect of keeping beef cattle rather than milk cows in order to keep up the land, and the determining as to whether it is profitable to keep pigs. At the termination of the discussion, the following motions were moved.

Stewart Lamprey moved that we recommend to the Carroll County Delegation that we vote not to build a barn at the present time. Seconded by Mrs. Morey. Motion carried 4 to 1 on a show of hands.

Mrs. Morey moved that we recommend to the Carroll County Delegation that we close the hospital and that the inmates of the home be placed on a scientific basis from the standpoint of the menus and that the cost of taking care be adequate to take care of these necessities. Vote carried unanimously.

Elmer Downs moved that we recommend to the Carroll County Delegation that we reduce the present herd to approximately 6 to take care of the home and house of correction with milk, and the present stable

be made over to provide adequate housing for them. Vote carried unanimously.

Mrs. Morey moved that the Commissioners investigate and recommend by one week whether we should close up part of the Alms House or tear part of it down. Vote carried unanimously.

Stewart Lamprey moved that we recommend to the delegation that we do not consolidate with any other county farm nor board the inmates or sell or do away with the County Home. Vote carried unanimously.

Meeting adjourned at 11:00 P. M. and that a meeting of the full Carroll County Delegation be held at the County Court House at 8:00 P. M., July 15, 1952.

Chairman.		

Carroll County Delegation Meeting July 15, 1952

The meeting was called by the Chairman at the Carroll County Court House at 7:30 P. M. with the following members present: Hodgdon, Remick, Downs, Benson, Washburn, Knox, Morey, Lamprey, Moulton, and McHugh, together with three Carroll County Commissioners. Considerable discussion ensued by the members of the delegation over the sub-committee's report.

Stewart Lamprey moved that we do not build a barn at the present time. Motion carried.

Earle Remick moved that we remodel the present stable for milk cows including the building of a silo, and

that we build suitable quarters for beef cattle not to exceed the insurance money. Motion did not carry.

Mrs. Morey moved that we remodel the stable for the dairy cows including the erection of a silo to be erected from the insurance money. Motion carried.

John McHugh moved that a committee of three be appointed to determine whether we should have beef cattle at the County Farm. A committee of three to consist of Chairman Forrest Hodgdon, Mellen Benson and Earle Remick.

Mrs. Morey moved that the County Hospital be closed as soon as the Commissioners can arrange to do it. Motion carried.

Mellen Benson moved that the Commissioners be allowed to close whatever part of the County Home they deemed necessary. Motion carried unanimously.

John McHugh moved to adjourn. Motion carried.

	Stewart Lamprey,
Forrest Hodgdon,	Clerk.
Chairman.	

Carroll County Delegation Meeting, August 21, 1952

The meeting was called by Chairman Hodgdon at the Carroll County Court House. Those present were Morey, Hill, Downs, McHugh, Remick, Nickerson, Knox, Lamprey, and Moulton together with the three County Commissioners.

It was reported by Chairman Hodgdon that we have a shed connected to the stable 92 feet long and

this stable was suitable for conversion for stable and hay storage.

It was reported by Commissioner MacKenzie that the cost for 18 tie ups and two pens on the ground floor for this conversion would be \$7,725.33. Conversion upstairs for 11 ties and 2 pens would be \$6,361.52. Which makes to fix up the stable alone would be \$7,700. It could not be guaranteed to make the upstairs floor absolutely water proof. This did not include equipment. Figures were given by Wendell Thompson. Considerable discussion ensued.

Mrs. Morey moved that we do not have beef cattle at the Carroll County Farm because of the danger of bangs disease. Seconded by John McHugh. Motion carried 6 to 3.

Stewart Lamprey moved that we allow the County Commissioners to spend not more than \$2,500 to fix up the stable or shed. If conversion cannot be made for that figure, we discontinue with the cows altogether. Motion carried 7 to 0. Seconded by John McHugh.

It was voted that the unexpended or remainder of the insurance money left over from the sale of the cattle be placed in a separate account for possible use for and repairing or additions to the Carroll County Court House. Seconded by Mrs. Morey. Motion carried. That motion was made by Elmer Downs.

John McHugh moved that we adjourn. Motion carried.

COMMISSIONERS' REPORT

In accordance with the Public Statutes of the State of New Hampshire the Commissioners of Carroll County submit their annual report together with the report of the Superintendent of the County Farm and of the various other County Officers.

1952 got off to a bad start in Carroll County when early in the year the cow barn burned, the cause still being uncertain. This was the third fire of its kind in our County, the first being in 1884 when it was supposed to have been incendiary, and the second in 1905 when the cause was lightning. Some of the people at the home now, recall the latter fire. \$17,338.96 (\$15,000 on the building and \$2,338.96 damages and replacements), insurance was collected on the loss.

The commissioners anticipated replacing the building with a smaller and a more modern structure, authorities having said that such a barn could be built with the above mentioned amount of money.

The commissioners are of the opinion that it was within their authority to rebuild. Other counties in similar circumstances have done this, but wanting to collaborate with the delegation that body was consulted, and after several meetings it was voted not to replace the barn and the commissioners have abided by this decision.

By vote of the delegation the herd has been reduced and alterations to the basement of the stable and tool-house, (so called) have been made to accommodate 15 animals.

\$4,000.00 was voted for this purpose, and the base-

ment is closed in, painted on the outside, cement floor poured and the tie-up complete. It is hoped that the building can now be ventilated and a ceiling put up. A manure carrier is also necessary. The fire did damage to nearby buildings and the stone silo. These have been repaired with the above mentioned money.

It would happen that the largest amount of hay ever (150 tons) was cut this year but fortunately with the new hay baler it was in shape to be stored and is in various outbuildings. Edmund K. Brown kindly offered space in his barn and some 75 tons of hay are there now.

Hospital patients having declined, the County Hospital was closed in August, and the two remaining patients placed in nursing homes. This reflects a saving in the County Home budget, because of the elimination of two nurses, but it added \$2,000.00 to Direct Aid, and if these cases continue in 1953 approximately \$4,000.00 will be necessary for their care.

The House of Correction was well patronized last year, there being an average of eleven and a half occupants all through 1952. It has been necessary to board two incorrigibles in Hillsboro County since last fall.

Lumber was needed for repairs and replacements, as well as a cow yard fence, and Supt. Severance had some 12 thousand feet of pine cut for boards, two by fours, and two by sixes. He also marketed 25 cords of pulp wood.

Some of the best pigs ever were raised, and even though the sale price was not too high, about \$2,000 was realized from them. Carroll County now belongs to the N. H. Cattle Breeding Association which has made possible the disposal of the herd bull.

Grover Wiggin finished painting the outside of the Court House and also did some interior decorating, which is always in order. New equipment was necessary in some of the offices, but the additions have made conditions overcrowded, and it is only a question of time when something must be done to relieve the situation.

The same disinterest still exists about our County Home. Very few people (including members of the delegation who vote our appropriations for the place) ever visit the institution to familiarize themselves with conditions there. However, those who are interested enough to call express satisfaction at the way our County Home is kept.

Edwin B. Edgerly,
Samuel P. MacKenzie,
John N. Leighton,
Commissioners of Carroll County.

REPORT OF COUNTY PHYSICIAN

There were no births at the County Home during the year 1952. There were three deaths attributable to diseases incident to advanced age. There were no epidemics and the incidence of illness at the Home during the year was in large part due to the degenerative changes of old age.

The transfer of the bed patients to convalescent homes permitted the hospital portion of the Home to be closed, thereby reducing the number of necessary help and expenses.

The Superintendent and Matron are to be congratulated for the care and devotion given to the inmates' welfare and for the efficiency and cooperation they have manifested in the past years.

Respectfully submitted,

FRANCIS J. C. DUBE, M. D.
